

Changes to enclosed 2021 Real Estate Tax Statement

Douglas County now has a new combination bill that will replace the information and bill that has been received in the past.

If your escrow pays taxes on your property, the stub will reflect "THIS IS NOT A BILL" and "YOUR TAX BILL HAS BEEN SENT TO YOUR MORTGAGE COMPANY." If your bill does not reflect this information and you have an escrow, please contact your mortgage company.

To pay online, visit our new online payment website at:

propertyinfo.douglascountyks.org.

Replacement bills, receipts, and address changes can be processed from this site.

The middle of the statement provides information about your individual property. Information on the back of the statement reflects revenue totals for all properties in all taxing authorities in your area.

When paying by check, please include the Quick Ref ID (located at the top of your statement) in the memo section of your check.

If your property has more than one owner, only one of the owners will be reflective on this statement.

If you have questions, please contact the Douglas County Treasurer's Office by email at taxes@douglascountyks.org or by calling 785-832-5178.
