A.O. 251 - Admin. Order No. 251 establishes "a juvenile supervision fee in an amount no higher than the amount set for adult supervision fee."

In 2014 HB 2338, the Legislature removed the \$.50 fee that was added to the docket fee in certain actions and credited to the Indigents' Defense Service Fund. The fee is no longer assessed in K.S.A. 28-172b.

K.S.A 60-2008 requires a \$195 filing fee for any dispositive motion filed on and after June 5, 2015. Dispositive motions are defined in the statute to include a motion to dismiss, a motion for judgment on the pleadings, a motion for summary judgment or partial summary judgment or a motion for judgment as a matter of law. Dispositive motions also include any motion determined by a judge to be seeking any disposition described in the statute, regardless of the title assigned to the motion at the time of filing.
